News Update

The Planning Appeals Commission has sent out letters and questionnaires to residents in the Armagh and Tyrone area who have submitted letters objecting the proposed overhead 400 KV interconnector.

We would like you to complete the questionnaire as shown overleaf and ensure you return it by post to the Planning Appeals Commission by 4.00pm on Friday, 16th September 2011.

The public hearing will be quite informal, but if you decide not to make a verbal presentation at the inquiry we can arrange to have an expert represent you.

We would like anyone who sent in a letter of objection but who has not yet received a questionnaire, or lost their questionnaire to please phone Sarah at 028 37569324.

If you have not completed a letter of objection yet, you can still submit one in the next few weeks.
